# Europe's reaction to refugee crisis: 2015 and 2022

Elena Herrezuelo Raquel Rojas Sara Matamoros

## **1. INSTITUTIONS**

In **2015**, the escalation of the Syrian civil war lead to **millions of Syrians** arriving to the southern European countries

### 5,6 million refugees

- Distrust
- Reticence

#### 18 March 2016

Declaration EU-Turkey Turkey assumed refugees that arrived in Greece in exchange of **6.000 million euros** on compensations

Priority privileges in resettlement for those who have not attempted to enter the EU irregularly

## **1. INSTITUTIONS**

### GENEVA CONVENTIONS

#### Article 18

#### Right to asylum

The right to asylum shall be guaranteed with due respect for the rules of the Geneva Convention of 28 July 1951 and the Protocol of 31 January 1967 relating to the status of refugees and in accordance with the Treaty on European Union and the Treaty on the Functioning of the European Union (hereinafter referred to as 'the Treaties').

Article 19

Protection in the event of removal, expulsion or extradition

- 1. Collective expulsions are prohibited.
- Articles 3, 5, 8 and 13 of the European Convention on Human Rights.
- Article 4 of its Protocol N°4, which establishes the prohibition of collective expulsions of foreigners

## **1. INSTITUTIONS**

### 8.255.288 refugees in Europe

Implication of volunteers made it easier for NGO's to perform their work in those territories

# Directive 2001/55/EC

Political issue rather than a legal or technical one The beneficiaries of this instrument enjoy the same rights in every Member State, and it includes:

- the recognition of the residence permit
- the work permit for those who are of legal age
- access to medical and social assistance
- in the case of unaccompanied minors, includes access to legal guardianship and education.

## **2. MASS MEDIA** $\rightarrow$ **Public Opinion**

#### Agenda Setting theory (McCombs and Shaw, 1972)

The media chooses which issues to address and to what extent based on their frames of interpretation.

Media agenda  $\rightarrow$  formation of public agenda.

#### Framing theory (Kahneman and Tversky)

The media creates frameworks  $\rightarrow$  presenting them as more important or not  $\rightarrow$  positive or negative evaluations.

#### Goffman, 2006

Mental filters that the public can use to process information

This significant humanitarian crisis did not prominently enter the daily media agenda until several scandalous events.

## 2. MASS MEDIA $\rightarrow$ 2015 refugee crisis 2.0

SOLIDARITY/EMPATHY FRAMEWORK	COMBATIVE/MANAGEMENT FRAMEWORK
Peak 1 (September 2015, Aylan Kurdi)	Peak 2 (November 2015, border reinforcement).
	Peak 3 (January 2016, xenophobic attacks, asset confiscation).
	Peak 4 (March 2016, expulsion of refugees, confrontation between the EU and Turkey).

The 2015 refugee crisis entered the political agenda only in the face of certain scandals, and, as we can see, the coverage was generally under a negative bias.

# 2. MASS MEDIA $\rightarrow$ 2015 refugee crisis
